Attention all middle school students! You are invited to the next EDGE event on Nov 26th from 4-5:30 p.m. in the school gym. Bring a friend! EDGE is our middle school youth ministry program which meets monthly to nurture faith and promote community in new and fun ways.

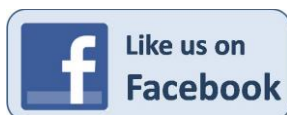

CHRISTMAS ON THE PARISH GREEN: Join us for the first annual ceremonial lighting of the Christmas tree on the Parish Green. Order a luminary with your own special message to help light up the evening! Please see the attached flyer about this special event on Saturday, December 2nd at 4:00 p.m.

Please read and share with those in need! Every year, on the day after Thanksgiving, the Knights of Columbus give out brand new coats to children in need. This year, Coats for Kids will be distributed locally at St Joseph School, 29 Edson Street in New Britain on Friday November 24, 2017 from 9:00 a.m. to 12:00 p.m. Sizes will be available for boys and girls of all ages, from toddlers to middle school. If you or someone you know could benefit from this effort, please arrive at 9:00 am in order to be sure to receive the right size coat; popular sizes and colors go fast!

Photos with Santa during the Student's Christmas Shopping Fair! Santa will again be visiting the Children's Christmas Shopping Fair on Wednesday, Dec. 6th and will be available to take pictures with your child for \$2.00 per photo. Please complete the attached form, detach and place in an envelope marked **Santa Photo**. Include your child's name and grade on the outside of the envelope. Forms should be returned to school by **Tuesday, Dec. 5th**. Any questions, contact Debbie Gianni – dedagi@gmail.com.

Fundits Fridays are now available for your convenience! Every Friday, Fundits and Fundits order forms will be available in the gym from 8:00-8:30. Cards are available for grocery stores, Amazon, Walmart, Lands' End and many, many more! Please take advantage of this easy fundraising opportunity to benefit our school.

LAWN SIGN CHALLENGE: Have some fun and help our school by taking a lawn sign and finding a "strategic" spot to place it! Look for corners and streets that get a lot of traffic, or near places that families frequent such as playgrounds, shopping areas, fast food locations. You can always put it in the front of your home, especially if you have a lot of kids in your neighborhood, or your place of business. Please leave the signs in place for the next few months. We are working hard to make our presence known in and around Berlin and the surrounding communities, and it would be helpful to get as many signs as possible up in the neighboring towns. Signs are available in the main office. Thank you!!
