

LANDS' END SCHOOL UNIFORM PROVIDER

Key information and guide to ordering

As we considered a change in uniform providers, our objectives were to: offer quality uniform items, enable parents to take advantage of sales and other discount pricing, improve the convenience of shopping for uniforms, and create more opportunity for you to meet our fundraising obligation. At the same time, we also wanted to enhance our Catholic school identity, and to include our school colors (maroon and gold) in our uniform offerings.

Ordering information

- You can order uniform items online at www.landsend.com, at any Sears store, or by phone. The reverse side of this document has more specific details to help you with ordering. **Our Preferred School number is 900080185.** Please take the time to set up profiles for each of your children. This will enable you to use a checklist of required items, which includes specific details such as which items require a logo, and will make shopping much easier. Online help is always available from a Lands' End customer service representative.
- By using a Lands' End gift card **purchased through the Fundits program** (available through the school office or online at shopwithscrip.com), you will have the opportunity to earn credit toward your fundraising obligation. For each purchase made with a Fundits Lands' End gift card, **16%** will be credited toward your \$200 requirement.
- If you order from the computer located in the Lands' End department at a Sears store, shipping is always free and items can be shipped directly to your home. If you order online and your purchases total \$50 (before tax) or more, shipping will also be free. Lands' End will also hem pants at no charge. Returns can be made to any Sears store or sent directly back to Lands' End.
- Lands' End offers frequent sales and promotions, including "your logo for a penny". Although a promotion may not apply to school uniforms (for example, swimwear may be on sale for 25% off), there may be individual school uniform items that also happen to be on sale. You may want to frequently check the Lands' End site to take advantage of sale opportunities.
- In order to make our parents aware of ongoing sale opportunities, Lands' End has been provided with the e-mail addresses of all of our school families (unless they initially notified us to opt out). Please note that you can unsubscribe at any time by using the "unsubscribe" feature on any Lands' End e-mail notice.
- If you should have any questions regarding the uniform dress code or Lands' End, please contact the school office.
