Attention parents planning ahead for high school! On Monday, November 12, a parent seminar will be held in our school library to provide current information on financial aid and tuition savings plans as well as high school academic options, course offerings, levels, differences among high school choices. Jim Newman, financial planner, and Kate Lawson, high school principal and guidance counselor will be presenting.

Please plan to join us for our Annual State of the School Report and Presentation on Thursday, November 15 at 6:30 PM in the school gym. This very important report by Father Joseph and Mrs. Molloy provides a very detailed and transparent look at our school, both financially, demographically and academically. As parents and partners in the Saint Paul School community, we want you to feel fully informed and proud of how we are doing in all of these areas and the very positive outlook that we share for our future as a vibrant, thriving Catholic school.

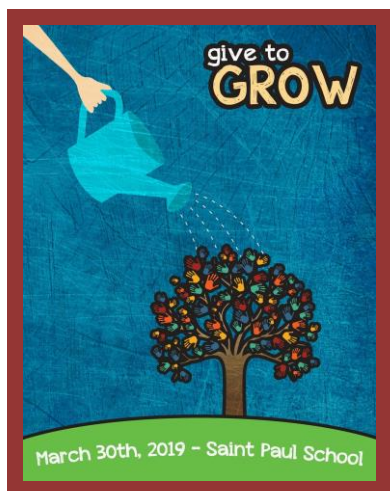

Our EDGE middle school youth ministry will be meeting on Nov 18 from 4:00-5:30 PM in the Church Hall. EDGE meets monthly and is a safe and fun environment in which middle school students can spend time with their friends, make new ones, and grow deeper in their relationship with Christ. We encourage all of our middle school students to be a part of EDGE and check it out if they have never attended. We will be continuing with the theme of the Holy Trinity by looking deeper at the Third Person of the Trinity, the Holy Spirit.

Christmas on the Parish Green! The Second Annual Ceremonial Lighting of the Parish Green will be held on Saturday, December 1, 2018, immediately following the 4:00 PM Mass. You can help to light up the Parish Green by ordering a bag luminary, printed with a special message. Please see the attached information for more details.

Sports Picture Day will be held on November 15, 2018 for students participating in fall and winter sports – cross country, golf, basketball, and cheerleading. [Click here](#) for photo package details.
