

# Join Girl Scouts Today!

*Girl Scouting builds girls of courage, confidence,  
and character, who make the world a better place.*

Our proven approach gives girls the opportunities to unleash their inner G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)™, prepare for a lifetime of leadership, and change the world. Girl Scouts are happy and confident, and they thrive on new adventures and experiences.

A Girl Scout knows she's having fun, but you'll know she's also gaining:

- Important financial literacy skills (math, anyone?) as she participates in the largest girl-run business in the world—the Girl Scout Cookie Program
- Healthy relationship skills that will help her navigate through her school years, especially as she moves into middle school and high school
- Leadership skills that will make it easier for her to speak up in class and advocate for herself and others
- And it doesn't stop there. Joining Girl Scouts helps her excel in every area of her life, including at home and at school.

Did you know...

- Nearly all of the 40 women who have flown in space were Girl Scouts? It's true! We're fearless!
- One in two U.S. businesswomen were Girl Scouts? It's true! We know how to get things done!
- Each year, Girl Scouts collectively spend more than 75 million hours improving their communities? It's true! We're building a better world one Girl Scout at a time!

So what will your daughter do? Cookies, badges, campfires, and friendship bracelets? You bet! But we're so much more than that. At Girl Scouts, you'll always get to think big, try new things, and be a role model in your community.
