

# EXCITING NEWS!

Saint Paul School is Growing!

We are expanding...building a second Pre-K3 program!  
Help support our new classroom!

We are happy to announce a plan to transform areas of our school in order to make room for another Preschool classroom for our 3-year-old program! After five consecutive years of long waitlists for our popular preschool, the addition of 15 more students in our school will equate to more families joining our school and parish community, more income to benefit the whole school, and a more stable enrollment going into Kindergarten and on! Thanks to some initial donations for this project, the remaining cost is \$150,000. This is a short campaign to raise funds over the next two months so we can begin renovations this summer, in time to welcome our newest little Lion's this fall. Any donation large or small will help us reach our goal! Thank you for your prayers and support!
